Rack Series, Multimedia Furniture

Rack-21 Maple
Shown with optional
Rear rack rails.

Models Rack-12, 16, 21 Deluxe Mobile Racks

An alternative to bare metal racks, VFI has developed a complete line of deluxe AV rack enclosures. EIA compliant racks are available in 3 sizes, 12 RU, 16RU and 21 RU units.

These mobile racks have locking Tinted Acrylic front and solid laminate rear doors which allow better access to your electronics than previous AV-series designs.

Available in a variety of wood grain or solid color laminates to match our multimedia podiums.

Standard Features Include:

- Furniture grade laminate finishes.
- EIA compliant, threaded 1 3/4" RU rack rails.
- Large top cable access vent.
- Locking Tinted Acrylic front door
- Locking rear door with Fan cutout.
- Premium casters for easy maneuvering
- Ships fully assembled
- Permanent construction process

Options

- Six outlet power bar with 10 ft cord
- 6" soft wheels
- VFI rack accessories
- Quiet 67 CFM Panasonic Fan
- Rear rack rails
