Description

The Enforcer EFG602 is perfect for applications where foreground/background music and paging are required. The EFG602 is available in black and white and come with its own U mounting brackets or optional swivel mounts (model EBK5 or EBK6) are also available. The EFG602 comes with a built-in transformer allowing you to select between 8 ohm or 70 volt operation. The EFG602 is a 2-way ABS injection molded box. The tweeters are “Ferro Fluid” cooled allowing for greater power handling.
