T3-PC1D

DESCRIPTION

The T3-PC1 series are perfect table boxes for single users, where convenient access to network drops, ac power sources and video/audio displays is required. The small footprint provides an un-obtrusive complement to any décor.

The T3-PC1 allows the user to connect their Laptop or PC to an external video display and house sound system as well as "link up" with network and phone lines. The T3-PC1D has an HDMI pass through in place of the RJ-11 jack.

The keystone areas can be populated with a variety of connectors including network, telephone, RCA or mini stereo audio, push buttons and much more to suit unlimited applications. Alternate style snap in keystone connectors and blanks are available separately for either model.

These stylish table boxes fit a 3½" round opening and are easily installed using a standard hole saw.

Round and square covers are available in black, brass or aluminum to blend with the decor.

The T3-PC1 includes:

- 1 AC Power outlet (pre-mounted)
- 1 HD15 Computer Video Female Connector
- 1 Stereo mini jack with 3-pin screw terminal plug
- 1 RJ-45 pass through connector (pre-mounted)
- 1 RJ-11 pass through connector (pre-mounted)
- 1 RJ-45 pass through connector
- 1 Keystone Blank
- 1 Pre-wired Power cord with plug

The T3-PC1D includes:

- 1 AC Power outlet (pre-mounted)
- 1 HD15 Computer Video Female Connector
- 1 Stereo mini jack with 3-pin screw terminal plug
- 1 RJ-45 pass through connector (pre-mounted)
- 1 HDMI pass through connector (pre-mounted)
- 1 Pre-wired Power cord with plug

The T3-PC1 can be installed in tables ¾" to 2½" thick. They are shipped with 3" installation screws and the components listed above.

APPLICATIONS

- Desks
- Lecterns
- Lab Tables
- Boardroom Tables
- Control Consoles
- Classrooms

FEATURES

- Round or Square Covers
- Can be matched to nearly any décor with Black, Aluminum or Custom Brass Top
- Easy and flexible installation
